

## List of countries „rabies“ – dogs, cats, ferrets

This list of countries applies with reservation as to temporary sanitary restrictions. See [www.bvet.admin.ch](http://www.bvet.admin.ch) > Topics > Import > Import bans / Temporary restrictions / Special conditions (details are only available on the German or French pages).

### Member States of the European Union and other European countries (including Switzerland) that use mandatory pet passports

These countries are free of urban rabies.
